

**Utrecht, the Netherlands, 16 January 2015** Ë Capricorn Capital Group BV is proud to announce that it has succeeded to attract the services of Gerard Boskma, Jan Willem Baud and Jan Van de Moolen in an advisory capacity, in the Board of Advisors of Capricorn Capital Group BV. The participation of these senior professionals will be hugely beneficial to Capricorn's investment activities in the Dutch residential and student housing market.

**Profile Gerard Boskma**

Gerard has a long history at the consultancy and interim management firm Boer & Croon where he was the partner that initiated in 1972 the business model of interim management for the firm. After that Gerard has been active in several functions at international operating board room advisory organizations and is currently active with Conquestor Financial.

**Profile Jan Willem Baud**

Jan Willem was CEO of NMP Capital, the investment company of SHV Holding. Jan Willem was responsible for a period of sustained growth of the company. Currently Jan Willem is involved in several advisory functions.

**Profile Jan van de Moolen**

Jan has a history in the Dutch social housing sector. He graduated in Law/ planning, after which he held several functions at a local government and in the housing association sector. After this period Jan has been General Director of the Centraal Fonds voor Volkshuisvesting (CFV) the financial regulator of the housing association sector. From 2013 onwards Jan is active as advisor and as non-executive board member for two housing associations and a care foundation. In his free time Jan is an accomplished guitar player.

**Profile Capricorn Capital Group**

Capricorn Capital Group BV is an investment and management organization based in Utrecht and has evolved from a Swiss Family Office. Capricorn has a team of five senior professionals on the ground with a background in real estate (development), fund management, legal consultancy and M & A and the financial sector. Capricorn manages and invests in Dutch real estate (residential, residential developments and student development). The company has a long-term investment view, in which it looks primarily to long-term buy-and-hold strategies. Capricorn is investing in its projects together with renowned domestic and foreign co-investors of good name and reputation.
